

A memorable event at Oh Me Ly Euro Cuisine Restaurant

There are many ways for restaurants to celebrate its opening anniversary. They can offer complimentary food and drinks, or a special musical night, but there is a unique way to make the anniversary is memorable for everyone who attends that day by sharing the joys with underprivileged children in VietNam.

With that generous idea, miss To Nhu who is owner of O Me Ly restaurant would give the entire purchases of meals that night to a non-profit organization for good cause. Miss To Nhu didn't offer her generosity to any organization , she chose one that can be trusted and Reaching-Out-Foundation had this honor .

The one-year opening anniversary of O Me Ly restaurant was held on Sept 13, 2009. With a kind heart and giving in mind, over 140 people responded to this charity event from 11am to 9pm. Every one had a good time and left with good feeling that their money will be well spent on orphanages and sick elderly in Vietnam through Reaching-Out-Foundation programs.

Purchase of all meals is \$2100. We also received extra donations \$1,012 from guests. The children in Reaching-Out-Foundation programs will get the grand total of \$3,112. It was an overwhelmed supports from all the guests.

We would like to say thank you and appreciate all guests who took their time coming for this event and to all volunteers who worked along with this program to make sure everything in place. Last but enormous thank you to these special people who made the event happened successfully :

- Miss To Nhu who donated all purchases not just “profit” to Reaching-Out-Foundation.
- Mr. Hoang Thien and Mr. The My who volunteer played keyboards alternately all day. Their talents provided a cheerful daytime and relaxing nighttime.
- Mr. Hoang Trong Thuy from VNCR broadcasting and his wife Lucie who gave some lovely piano performances at the event.
